22 JUNE

## SUMMER CAR TREASURE HUNT

For our members' event this year, we'd like to extend an invitation not only to our members but to family, friends, colleagues or anyone who would like to join in a bit of fun at our summer car treasure hunt.

The evening starts at 6.30pm for registration at Gales Hotel, Irvine where participants will be provided with details of the route. The route plan will take you along scenic roads through villages— no motorway or traffic lights in sight—and will take approximately 1—1 1/2hrs to complete. Of course, the challenge is to find the clues and answer questions on route before returning to the Gales Hotel to eat, drink and relax after your adventure and possibly pick up one of the top three prizes. The cost for the treasure hunt, including food, is £10 per person which can be paid online at [www.aabw.org.uk](http://www.aabw.org.uk) or on arrival at the hotel.

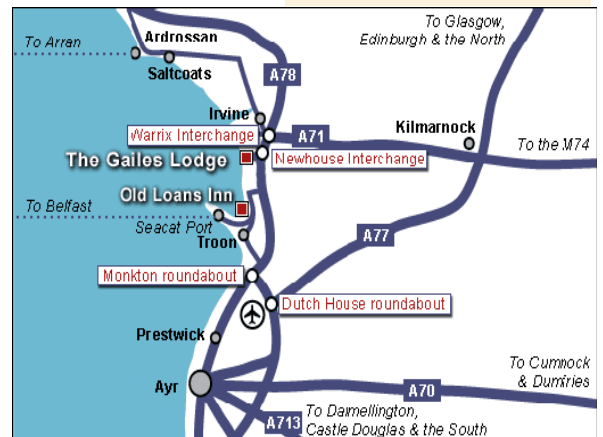

Places are limited and anyone who wants to participate should either book online or contact 07885177760 to reserve a place.

We'd like to thank Citroen car dealer, Alistair Fleming who has kindly offered to provide sponsorship for the event.
